

10TH BREAKFAST GALA

WEDNESDAY, MAY 27TH AT 7:30AM AT AMICI'S BANQUET HALL

Dear Community Partner,

Niagara Nutrition Partners is planning our 10th signature fundraising event, the *Niagara Nutrition Partners Breakfast Gala and Student Cook-Off Competition!* This signature fundraiser offers the Niagara community an exciting opportunity to support student nutrition programs throughout Niagara, providing students a chance to eat, learn and succeed. The event will be showcasing secondary school culinary teams, competing against each other to serve delicious breakfast creations.

Niagara Nutrition Partners is a non-profit organization dedicated to supporting and facilitating breakfast, snack and lunch to school aged children across Niagara. We currently have 215 programs feeding more than 24,000 children every school day. Niagara Nutrition Partners is a region wide initiative that provides every community in Niagara the opportunity to develop and co-ordinate student nutrition programs in both elementary and secondary schools across all four school boards. While we are funded in part by the Provincial and Federal Government, Niagara Nutrition Partners works hard to fill the funding gaps in every nutrition program with community and personal donations and fundraising efforts.

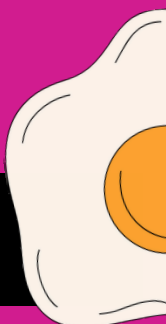

We ask that you consider sponsoring NNP's 10th Breakfast Gala. By supporting this wonderful cause, you will be contributing to the health, education and well-being of tomorrow's future leaders.

Please contact me with any questions you may have or for additional information.

Thank you for your consideration!
